Address of Recipient: 2605 Parkwood Drive, Brunswick, GA 31558

Amount of Request: \$100,150 in HRSA

Explanation of Request

Purpose: CMAP is planning to expand clinical care and add new services at the clinic, including chronic disease management, dental and vision care. Funds will assist with both medical and dental equipment.

Why is it a good use of Taxpayer funds: The return on investment for a free clinic is 3:1. From inception, CMAP's total expenditures over a 6-year period were \$5.6 million and provided \$16 million in free healthcare. The CMAP model is one to be replicated across the country.
